

# plug NECU-S1W9-C2-ACO

Part number: 574588

FESTO

## Data sheet

| Feature                                 | Value                           |
|---|---------------------------------|
| Mounting type                           | 4-40 UNC-2B                     |
| Fieldbus interface                      | Sub-D, 9-pin, socket            |
| Electrical connection 1                 | Socket, sub-D, 9-pin            |
| Electrical connection 2                 | Screw terminal, can be screened |
| Baud rate                               | 1 Mbit/s                        |
| Permissible cable diameter              | 8 mm<br>8 mm                    |
| Terminal cross-section                  | 0.14 ... 0.5 mm <sup>2</sup>    |
| Protection class                        | IP20                            |
| Ambient temperature                     | -20 ... 70 °C                   |
| Relative air humidity                   | 75% at 25°C                     |
| Materials note                          | Conforms to RoHS                |
| Corrosion resistance classification CRC | 1 - Low corrosion stress        |
| Material housing                        | Reinforced PC                   |
